Hi Cindy & Joe,

We're using a new template for our GMAP reports. I thought y'all would be much better than I at providing info for the following sections. If they are not applicable, that's ok. Do you mind taking a stab?

In theory the internal draft report is due on 9/20, but it doesn't look like the data or lab analysis will be done by then. I'll be in touch on Thursday.

Thanks,  
Bill
